## FROM THE PEN OF OUR MD:

Maintaining the consistency in the quality of our products is the foremost responsibility as the proprietor of one and only glass processing unit in Odisha. We are committed to total customer satisfaction by identifying their specific needs, translating them into quality products and providing dependable after sales and services. With more than two decade of experience in glass sector I have gained the potential to comprehend the customer's requirement and providing them the best. The dedication and commitment for proving the best has made our roots strong enough to grow as a well nourished firm. Being the sole processor of architectural glass in Odisha, we are looking forward to fulfill the demands of the upcoming projects of Odisha as well as its neighbouring states.

With regards,  
Sanjay Kumar Agrawal
